Customer First Charter

Our priority is to you, our customer. We place your finance needs above those of any lender, our company or our aggregator, Connective.

Our duty is to ensure, based on information provided to us by you, that you obtain a loan which is appropriate (in terms of loan amount and structure), affordable, suitable for your stated needs and requirements and delivered in a responsible manner which provides you with a good outcome.

We will be transparent about products and options and applicable fees and charges. We will communicate in simple to understand language and act with the highest standards of integrity. We are committed to ensuring the product selected will meet your stated needs and requirements at the time of providing credit assistance.

This Credit Guide contains important information about us, the services we provide and the Credit Representative operating under our credit licence. It also contains:

- information about fees and charges that may be payable by you to us
- commissions that we may receive when we are acting as a credit representative
- commissions that we may pay to third parties for introduction of business and
- information about what you should do if you have a complaint or dispute regarding our services.

Fees payable by you

We do not charge you for our services because we are paid commission by the financier. However, you may need to pay the financier's application fee, valuation fees, and other fees.

Services we provide

We will:

- help you to choose a loan or lease or other financial product which is suitable for your purposes;
- provide you with information on a broad range of financiers and products. Once you have chosen a loan or lease that is suitable for you, we will help you to obtain an approval; OR
- assist you to obtain an approval if you have already chosen a financier.

We will need information from you

Under the NCCP, we are obliged to ensure that any loan or principal increase to a loan we help you to obtain or any lease we help you to enter is not unsuitable for you. To decide this, we may need to ask you some questions in order to assess whether the loan or lease is not unsuitable. The law requires us to:

- make reasonable inquiries about your requirements and objectives;
- make reasonable inquiries about your financial situation;
- take reasonable steps to verify that financial situation.

Credit will be unsuitable if at the time of the assessment, it is likely that at the time the credit is provided:

- you could not pay or could only pay with substantial hardship;
- the credit will not meet your requirements and objectives.

For example, if you can only repay by selling your principal place of residence, it is presumed that the loan will cause substantial hardship unless the contrary is proved. For this reason we must ask you to provide a significant amount of information. It is therefore very important that the information you provide us is accurate.

We must provide you with a copy of our preliminary credit assessment of your application if you ask within 7 years of when we assist you. We are only required to give you a copy of the preliminary credit assessment if we give you credit assistance.

If we arrange a loan for you to purchase or refinance real estate, remember you must make your own enquiries about the value of the real estate and its potential for future growth.

Commissions received by us

We may receive commissions from the lenders and lessors who provide finance for you as our customers. These are not fees payable by you. You may, on request, obtain from us information about a reasonable estimate of those commissions and how the commission is worked out.

Commissions payable by us

We source referrals from a broad range of sources. For example, we may pay fees to call centre companies, real estate agents, accountants, or lawyers for referring you to us. These referral fees are generally small amounts and accord with usual business practice. These are not fees payable by you.

Details of any fees or commissions being paid to the referrer will be included in the Proposal Disclosure document we provide to you when credit assistance is provided.

*Preferential service offerings and programs

We may have access to tiered servicing programs through some lenders. These programs give you, as our customer, access to preferential services. Access to these programs is not based solely on the volume of loans submitted and does not entitle me to any additional commission outside of what I will disclose to you if a loan is submitted to one of these lenders. It should be noted that these preferential services do not provide customer discounts. A copy can be provided on request.

Entertainment and hospitality register

We hold and maintain an entertainment and hospitality register. A copy can be provided on request.
